POETAS ESLOVACOS

3.

Re-educational concerts
seemed a little effective
in suppressing rising
prices, debts and children.

We don't agree with the coca-
collaboration pepsi-collage.

Pull down the rock n' roll-up blinds.

Let the music grow dark inside us,
this nth power of light
which only knows
about the human body.

From Hurrah, it burns! by PAVOL JANIČ -Translated into English by James Sutherland Smith-
