

PAVOL JANIK

BAD HABIT

Translated into English by James Sutherland Smith

Every day
I go to work
for my wife, Olga,
so she has enough for shopping.

I must make an effort.
The weekend approaches
and the children would like to eat on Sunday.
We still have not succeeded
in breaking this bad habit.

The world's best modern poems

Excellent poetry by modern poets from many countries, including SLOVAKIA
(PAVOL JANIK)
